NOTES FOR DDCI

3 January 1964

25X1

25X1

2. That [redacted] committee which has been meeting to work up the 13 proposals for intensified actions against North Vietnam has been somewhat puzzled as to how to go about seeking approval. Marshall Green, who is Roger Hilsman's deputy in State is particularly concerned that the Special Group approve all recommended actions. I would think that this should be the CIA position also.
